

DD/S 71-1197

6 APR 1971

MEMORANDUM FOR: Director of Personnel

Harry:

Pursuant to our conversation the other day --

Would you, or Ben, take a crack at a draft, which would be DD/S's own, tied to the retirement rule only.

We think there should be a more specific reference to what it is we are adopting.

What about the implementing action? Offer to write the regulatory revision?

<p>Bob,</p> <p>Hope this is what you and Mr. Coffey had in mind. You will note we did not allude to necessary change in regulations - it did not fit in smoothly. I believe it logically follows that upon approval regulations will be changed, but this could be mentioned in covering memo. We only included the three key references, you may want to include other background material. Finally, I believe for a policy change as significant as this one is you might want to have all Deputies coordinate - they did on original paper. If paper is discussed at</p>

Deputies meeting and agreement reached we could possibly obtain signatures at that time. We can't afford too much delay if this is to become effective for 31<sup>st</sup> May retirees.
